

Parade Permit Form - Online

Parade Permits are required for marches, parades, and fun runs. The Boardman Police Department is tasked with the responsibility to bring people together safely and successfully within the city limits. The Chief of Police processes applications for review and is the primary contact for the parade permit process. Once approved, the City Manager reviews the permit and makes final approval. Permits have to be submitted in a timely manner in order to allow for proper review. If not submitted in sufficient time the permit may be denied.
